## Non-Local Application Year 7 2025

### Who is a Non-Local student ?

Students residing within Woolooware High School's intake area are local students. All other students are welcome to apply to our school as non-local students.

### Spaces ?

Woolooware High School has limited non-local spaces available. Whilst preference will be given to siblings of currently enrolled students, this is not guaranteed and is dependent upon the demand for non-local enrolments, annually. In following Department of Education Enrolment policy, we are only able to offer non-local enrolments within our school enrolment cap.

### Waiting Lists

Waiting lists for non-local students will be established where necessary. Parents will be advised in writing if their child is to be placed on a waiting list, which will remain current for one year only. The Principal will reconvene the placement panel in the event of an additional non-local application.

### Please complete the following steps to indicate your interest in a non-local application for Year 7 2025:

1. **The Year 6 to Year 7 transition process** has been digitised for NSW Government primary schools. Parents and carers can go online to complete the 'Expression of Interest for placement in Year 7 2025', in a NSW Government School. If your child does not attend a Government school, you may contact Woolooware High School and we will assist you in accessing this form.

**Select Woolooware High School as Choice 1,2 or 3. Only choice 1 applications are completed when offering places in the first round of offers.**

2. **Complete and submit the Non-Local Application** (attached) to the **Woolooware High School office**. Note: please provide all relevant information on the form as Woolooware High School's Placement Panel will use this information to assess all applications. Further, no single criterion will guarantee a placement.

### 3. Supply Supporting Documentation

Applicants are encouraged to provide supporting documentation that demonstrates how the applicant meets the non-local selection criteria. Note – do not send original copies of certificates or documents as this material cannot be returned. Also please do not provide any digital media or powerpoint presentations, as the enrolment panel will not consider digital material.

Selection for Woolooware High School does not depend on your child's ability, performance or achievement. Documentation will support a more complete understanding of your child's approach to learning and their peers, as a basis for their future success at Woolooware High School. To ensure procedural fairness, the panel will not consider additional information that is not submitted at the time of the application.

4. **Complete your 'Expression of Interest' form ONLINE AND return your Non-Local Application to Woolooware High School by Friday 5 April 2024.**

You can submit your application by postal mail, placing the application in our mailbox or via email (pdf). Applications, including supporting documentation should not exceed 12 pages.
